SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that this Supplemental Information Disclosure Statement be entered and the documents listed on the attached Form PTO-1449 be considered by the Examiner and made of record. A copy of the listed document as required by 37 C.F.R. § 1.98(a)(2) is enclosed for the convenience of the Examiner.

In accordance with 37 C.F.R. §§ 1.97(g),(h), this Supplemental Information Disclosure Statement is not meant to be construed as a representation that a search has been made, and is not to be construed to be an admission that the information cited is prior art or is considered to be material to patentability as defined in 37 C.F.R. § 1.56(b), or that such information constitutes prior art.

This Supplemental Information Disclosure Statement is being filed prior to the receipt of a first Office Action reflecting an examination on the merits, and hence is believed to be timely in accordance with 37 C.F.R. § 1.97(b). Accordingly, no fee is believed to be due. Should any fees be deemed necessary, however, the Commissioner is hereby authorized to charge any additional fees which may be required to Howrey Simon Arnold & White Deposit Account No. 01-2508/MCRO284—2/LWT.

In accordance with MPEP § 2001.06(c), and similar to the previously filed Supplemental Information Disclosure Statement in this matter (filed February 12, 2003), Applicant wishes to point out that attached reference C1 is the Complaint for Declaratory Relief for the litigation which the parent applications of the present invention was involved in, namely *Sandisk Corp. v. Micron Tech., Inc.*, Civ. No. 02-2627CW (N.D. Cal.). After reviewing this matter with litigation counsel, it is my understanding that this case ultimately settled without further discovery pertinent to the invalidity or enforceability of the claims in those patents, and without any claim in those patents being rendered invalid or unenforceable.

Applicant respectfully requests that the listed documents be considered and made of record in the present case, and that the Examiner initial the spaces on the accompanying Form PTO-1449 to evidence the same.

Respectfully submitted,

Terrell G. Lewis
